Bid Number: Pending

Resolution Number: RES 23R-09-272

Resolution Date: September 28, 2023

RE: NOTICE TO PROCEED

You are hereby given notice to proceed on the above referenced project for the City of Lauderhill.

Note that the Contract Time as stated in the Contract Documents will commence on the date the City of Lauderhill approves the building and/or engineering permit(s) for the intended work. On that date you may commence performance of the obligations required by the Contract Documents.

Conformance to the attached Conditions of the Notice to Proceed is mandatory.

Before commencing work at the Project Site, the following must be performed:

CONDITIONS OF THE NOTICE TO PROCEED

1. The Contractor is authorized to commence survey activities, pre-construction videos, photos, permit application, and site security from the date of this notice.
2. The Contract value amount is \$341,450 and budget number is 309-05327-506814
3. The contractor must apply for and receive engineering permit(s) for the intended work prior to beginning construction work if required. Neither the Contractor, nor Subcontractors, will commence site construction activities until proper permits are received from the Department of Construction and Capital Project of the City of Lauderhill.
4. The Contract Time shall commence on the day the first City of Lauderhill permit is issued.:
