Re: HG Construction, Development & Investment, Inc
Statement of Bondability

To Whom It May Concern:

This is to advise you that our office provides Bid, Performance, and Payment Bonds for HG Construction, Development & Investment, Inc. Their Surety is The Gray Casualty & Surety Company which carries an A.M. Best Rating of A-VIII and is listed in the Department of the Treasury's Federal Register.

Based upon normal and standard underwriting criteria at the time of the request, we should be in position to provide Performance and Payment Bonds for projects up to \$10,000,000 for a single bond and \$30,000,000 in the aggregate. We obviously reserve the right to review final contractual documents, bond forms and obtain satisfactory evidence of funding prior to final commitment to issue bonds. We cannot assume liability to any third party, including you, if we do not execute said bonds.

HG Construction, Development & Investment Inc is an excellent contractor and we hold them in the highest regard. We feel extremely confident in our contractor and encourage you to offer them an opportunity to execute any upcoming projects.

This letter is not an assumption of liability, nor is it a bid or performance and payment bond. It is issued only as a bonding reference by our respected client.

If you should have any questions, please do not hesitate to give me a call.

Sincerely,

Jessica Reno
Surety Bond Specialist

RE: CERTIFICATE OF QUALIFICATION

The Department of Transportation has qualified your company for the type of work indicated below.

FDOT APPROVED WORK CLASSES:

DRAINAGE, FENCING, FLEXIBLE PAVING, GRADING, GRASSING, SEEDING AND SODDING, SIDEWALK, Curb & Gutter, Driveways, Rip Rap, Traffic Separators, Tree Removal, Underground utilities (Water & Sewer)

Unless notified otherwise, this Certificate of Qualification will expire 6/30/2026.

In accordance with Section 337.14(1), Florida Statutes, an application for qualification must be filed within (4) months of the ending date of the applicant's audited annual financial statements.

If the company's maximum capacity has been revised, it may be accessed by logging into the Contractor Prequalification Application System via the following link:

<HTTPS://fdotwpl.dot.state.fl.us/ContractorPreQualification>

Once logged in, select "View" for the most recently approved application, and then click the "Manage" and "Application Summary" tabs.

The company may apply for a Revised Certificate of Qualification at any time prior to the expiration date of this certificate according to Section 14-27.004(3), Florida Administrative Code (F.A.C.), by accessing the most recently approved application as shown above and choosing "Update" instead of "View." If certification in additional classes of work is desired, documentation is needed to show that the company has performed such work.

All prequalified contractors are required by Section 14-22.006(3), F.A.C., to certify their work underway monthly in order to adjust maximum bidding capacity to available bidding capacity. You can find the link to this report at the website shown above.

Sincerely,

James E. Taylor II, Prequalification Supervisor

Please allow this letter serve as recommendation of HG Construction Development & Investment Inc. as a top notch Site & General Contractor in the State of Florida. I have worked with them on several projects over the years and all projects to date have been completed on time and in a professional manner. They were an integral part of constructing the site work component of a project that included removal and replacement of FDOT curb and gutter (Type F), removal/replacement of brick paver sidewalk with header curbs, 4" and 6" sidewalks along both FDOT roads. HG provided MOT plans for approval to the FDOT and executed the approved MOT plan without incident. They also proceeded to mill and re-surface half of the roadway (Biscayne Blvd.) and complete thermoplastic striping +/- 28 days later. This firm has proved to be a valuable part of our construction team. I highly recommend HG Construction Development & Investment Inc.

To Whom It May Concern,

Please allow this letter to serve as a strong and well-deserved recommendation for HG Construction Development & Investment, Inc., a top-notch site & general contractor. I have worked with HG on a recently-completed project which greatly enhanced ADA accessibility for our pedestrian traffic throughout the City of Miami Springs. This particular project was closely monitored and partially funded by FDOT, and was completed on time and in a professional manner with minimal, if any, residential impacts and no incidents nor accidents. HG's crews systematically completed the project per the contract plans and technical specifications while working closely with the City's Public Works Department to identify, prioritize and schedule the work. I highly recommend HG Construction Development & Investment, Inc. and commend them for their professionalism, organization, and integrity, and look forward to working with them on future construction in the City of Miami Springs.

Should any additional information be required, do not hesitate to contact me at your earliest convenience.

To whom it may concern:

It gives me great pleasure to write this letter on behalf of HG Construction Development and Investment, Inc. Our firm has worked on many projects, some private sector projects and some municipal projects, with HG Construction through the years. They have performed admirably on all of our projects together.

Our latest involvement with HG Construction pertains to the Mt. Sinai Medical Center Emergency Dept. & Bed Tower project in Miami Beach, Florida, a \$6.5M project on which HG Construction was the site-civil work subcontractor. HG's scope consisted primarily of underground drainage, domestic water, fire line, and sanitary sewer installations. Their earthwork scope consisted of stabilized subgrade, limerock base, and asphaltic concrete placement; and their concrete scope encompassed Type 'D' curb, Type 'F' curb and gutter, and concrete sidewalks and ramps. All of the aforementioned work has been professionally performed by HG Construction forces in a timely manner. They have managed their subcontractors very well, while maintaining a very tight and difficult schedule.

HG Construction's communication and work was performed in a very effective and professional manner. Their field crews were excellently managed by the project superintendent and the quality of the work was impeccable. The home office provided the required support to ensure that the project was completed on a timely basis. Additions to the original scope of work were immediately addressed, and change orders were promptly negotiated and executed, so as to maintain an uninterrupted flow to the construction process and maintain the team's best interest.

It is without hesitation that I highly recommend HG Construction Development and Investment Inc. as a top tier contractor to address all of your civil/site work and general contracting needs.

Please contact me if further information is needed.

To Whom It May Concern:

HG Construction (HG) was the general contractor for the Miracle League Field at Tamiami Park, commissioned by the Miami-Dade County Parks, Recreation, and Open Spaces Department (MDPROS). The Miracle League Field was the first baseball field in Miami-Dade County specifically designed for use by those with disabilities.

The field is made of approximately 19,000 sq. ft. rubberized surface with sub-base of asphalt so children with assistive devices can be granted improved access to the field and experience what it's like to play ball. The project also included new dugouts, bleachers, benches, backstops, and related fencing, a C.M.U. donor wall, modifications to the existing parking lot, and electrical and plumbing work. The dollar value of HG's contract was \$673,086.63. The firm self-performed the following tasks:

- | | |
|--------------------------|---|
| • Demolition | • Concrete |
| • Clearing and grubbing | • Stripping |
| • Grading and compaction | • Chain link sport fencing |
| • Drainage | • Installation of dugouts, bleachers, and benches |
| • Asphalt | • Structural |

HG Construction was instrumental in delivering this high visibility, fast tracked project on schedule. MDPROS found HG Construction to be courteous, conscientious, and very responsive. The quality of their work met and in some aspects exceeded our expectations.

To Whom It May Concern:

R.A. Rogers Construction Company has maintained an annual volume in excess of 20 million dollars for several years and our subcontractor selection is a vital part of our business. We have conducted business with HG Construction for over five years and consider them an integral part of our team. We frequently rely upon HG Construction for our sitework scope of work and count them as a valuable resource. Recently, HG satisfactorily completed a sitework subcontract for a Wal-Mart project for our company valued at approximately 1.6 million dollars.

Much of the success we have enjoyed over the last several years is a result of our association with HG Construction and I am pleased to recommend them. Should you have any questions or require additional information, please contact me.

To Whom It May Concern:

I write this letter in recommendation of HG Construction Development & Investments, Inc. (HG) as a general and site contractor. I have had the pleasure of working with the management team on several public works projects in our town. Most notably the renovations and construction of the Danny Meehan Recreational Center in 2016. Located adjacent to Town Hall and The Police Department, this \$1M+ park renovation now serves as an important and central gathering place for every resident of this town. HG performed throughout the construction process and cooperated fully in matters of changes and time extensions, which were mostly due to design considerations.

HG self-performed all of the utility and site work components of this project. In addition to the aforementioned, they also self-performed the concrete sidewalks, basketball court construction, pavers, flatwork, concrete dumpster enclosure, installation of fitness equipment, landscaping, and irrigation. Electrical and fence subcontractor's work was coordinated properly and carried out in a workman-like manner too.

RECOMMENDATION LETTER

To Whom it May Concern,

Please allow this letter to serve as the highest recommendation of HG Construction Development & Investment, Inc. as a top-notch General and Site Contractor in the State of Florida. I have worked with HG on several projects over the last few years with great success, including projects under FDOT LAP funding. All projects, to date, have been completed in a timely manner and with the utmost professionalism.

They served as GC/Prime Contractor on projects involving demolition, clearing and grubbing, drainage construction, site grading and grading for paved areas, FDOT curb and gutter, sidewalk construction, landscaping and irrigation improvements. They implemented MOT measures on FDOT roadways without incident. These scopes were self-performed by HG, as well as placement of the base and asphalt courses and landscaping of the site.

This firm has proven to be a valuable part of our construction team. The field and operations managers are well versed in the type of work being processed delivering a high-quality final product.

HG Construction & Development, Inc also does a fine job of coordinating subcontractors to work in concert with other trades to deliver the project on time. Consequently, I sincerely and highly recommend HG Construction & Development, Inc. and look forward to continuing a healthy working relationship moving forward.

RE: HG Construction Development & Investment, Inc. Recommendation Letter

To Whom it May Concern,

As the Facility Project Management team for Florida Power & Light, we have engaged HG Construction Development & Investment, Inc. on more than a handful of projects. Both new construction and renovation of existing facilities; as the General Contractor and as a site sub-contractor for other General Contractors, their performance in all roles has been exemplary. Their team is willing to go above and beyond on any items asked whether contractual or not.

HG Construction has performed such services as demolition, clearing and grubbing, drainage construction, site grading and grading for paved areas, lake excavation and swale grading, Placement of Base rock and asphalt courses, landscaping, and FDOT curb, gutter, and sidewalk construction. HG Construction has implemented MOT measures on FDOT roadways adjacent to our projects without incident.

HG Construction has proven to be a reliable and valuable supplier in our network. The field and operations managers within their team have been well versed in the type of work being processed, delivering a high-quality final product. HG Construction has performed well in coordinating sub-contractors to work in connection with other trades to deliver the projects on time.

I sincerely recommend HG Construction Development & Investment, Inc. and look forward to continuing a healthy working relationship with them on future projects.

Sincerely,
